Re: Withdrawal of Request for Hearing
In the Matter of Distrigas of Massachusetts, LLC
Notice of Amendment CPF 1-2018-3003M

Dear Director Burrough,

Pursuant to 49 CFR §190.211, on March 30, 2018 Distrigas of Massachusetts, LLC (Distrigas), filed a formal request for a hearing in response to a Notice of Amendment (NOA) issued by the Pipeline and Hazardous Materials Safety Administration (PHMSA) on April 2, 2018. Subsequent to Distrigas' filing, representatives of Distrigas and PHMSA Staff held an in-person meeting and resolved the circumstances that prompted the NOA and Distrigas' request for a hearing. See attached hereto as **Attachment A** a copy of the email correspondence between Distrigas and PHMSA recording the conclusions and agreements reached at that meeting.

Accordingly, enclosed is a filing to withdraw the Distrigas Request for Hearing, a Written Response, and a copy of revised Sections 2 and 3 of Distrigas' General Maintenance Procedure EMT-00M, clarifying certain terms and timelines for maintenance scheduling, agreed to between Distrigas and PHMSA in an email earlier this month.

Respectfully submitted,

Susan A. Stritter
