RE: Notice of Amendment - CPF No. 1-2011-5012M
Enterprise Products Operating LLC ("Enterprise") for Enterprise Products
Partners LP

Dear Mr. Coy,

Pursuant to the Notice of Amendment (NOA) received by Enterprise on December 14, 2011, Enterprise has modified and updated their policies and procedures to satisfy the potential issues discovered by the New York State Department of Public Service on December 21, 2010 and included in the NOA.

The Enterprise Policies and Procedures that were modified and updated are listed below and contained herein with this transmittal:

- ◆ *Safety Policies Manual Section 3.12 – Safe Work Permit (new and revised)*
- ◆ *Safety Policies Manual Section 3.12 – Work Permit System (included for comparison)*
- ◆ *Safety Policies Manual Section 6.3 – Preparation of Pipeline Equipment & Systems for Repair and Maintenance (new and revised)*
- ◆ *Safe Work Permit (blank copy)*
- ◆ *Liquids O&M Manual Section 706 - Personal Electronic Devices (PED) and Prevention of Accidental Ignition (new and revised)*

The Enterprise work policy regarding minimizing the likelihood of accidental ignition is the same for working on and around any pipeline, pressurized or non-pressurized.

In addition, any future correspondence regarding this NOA and any other for the Enterprise (formerly TE Products Pipeline) should be addressed to Enterprise Products Operating LLC, the Operator, in lieu of Enterprise Products Partners LP, the owner and parent company.

Enterprise welcomes the opportunity to work with PHMSA and the State of New York in the safe operations of our pipeline systems.

Sincerely,

Kevin Bodenhamer
Sr. Vice President
