Dear Mr. Cooper:

From September 25 to 27, 2012, a representative of the Pipeline and Hazardous Materials Safety Administration (PHMSA), Office of Pipeline Safety (OPS), pursuant to Chapter 601 of 49 United States Code inspected EQT Midstream's (EQT) Public Awareness Program in Pittsburgh, Pennsylvania. As a result of the inspection, EQT was issued a Notice of Amendment (NOA) on October 25, 2013.

On November 25, 2013, EQT submitted a response to the NOA along with amended procedures. My staff reviewed the amended procedures, and it appears that the inadequacies set forth in the NOA have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Byron Coy, PE
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
