**RE: CPF 1-2013-6003M**

Dear Mr. Coy,

We are in receipt of your correspondence referenced CPF-1-2013-6003M. The Company appreciates this opportunity to review and improve its procedures based upon your findings. In response we submit to you changes to the following procedure from PPL Interstate Energy's O&M Manual:

- Section 9.5.5 SCADA System & Display Changes

Please find this Section attached for your review.

Your letter also requests a cost estimate demonstrating fulfillment of the associated improvements. There are no substantive changes to our procedures. Rather, costs are limited to the posting of this procedure and are nominal.

If any clarification of this response is required please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Drew D. Cummings". The signature is fluid and cursive, with a large, sweeping flourish at the end.
