RE: CPF 1-2014-5003 – Notice of Probable Violation, Proposed Civil Penalty, and Proposed Compliance Order – Macungie Tank 228 Overfill Incident

Dear Mr. Coy:

Upon review of the referenced Notice of Proposed Violation, Proposed Civil Penalty and Proposed Compliance Order (NOPV) received on September 5, 2014 from the Pipeline and Hazardous Materials Safety Administration relating to Tank 228 overfill incident at the Macungie Station, Buckeye Partners, L.P. (Buckeye) does not contest this NOPV.

Buckeye believes it has taken the necessary steps to prevent a recurrence of this event and will adhere to the Proposed Compliance Order within the established timeframes after the Final Order has been received. Payment of the Proposed Civil Penalty will be executed as requested. If you have any questions, or need additional information, please feel free to contact myself or Claudia Pankowski, Director, Regulatory Compliance at 610-904-4113.

Sincerely,
