Dear Mr. Oostman:

On February 5, 2016, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Columbia Gas Transmission, LLC (Columbia) a Final Order in the above-referenced case. This Order included a Compliance Order. Based on our review of the documentation Columbia provided, and the witnessing of work and testing related to the Compliance Order by New York State Department of Public Service (NYSDPS) staff representing PHMSA, it has been determined that Columbia has complied with the terms of this Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Byron Coy, PE  
Director, Eastern Region
