Dear Mr. Collier:

From May 19, 2014 through July 15, 2015, a representative from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to chapter 601 of 49 United States Code, conducted an on-site inspection of Buckeye Partners, L.P.'s (Buckeye) procedures and records for the West Shore Pipeline Company in Breinigsville, Pennsylvania. As a result of the inspection, Buckeye was issued a Notice of Amendment on May 10, 2016, which proposed amendment of its procedures.

Buckeye submitted its amended procedures on July 8, 2016. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary, and this case is now closed. Thank you for your cooperation in this matter.

Sincerely,

Byron Coy, P.E.
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
