RE: CPF 1-2016-5003M Notice of Amendment (NOA)

Dear Mr. Coy:

Buckeye Partners, L.P (Buckeye) the operator of the West Shore Pipe Line Company (West Shore), acknowledges receipt of the referenced NOA on May 12, 2016 relating to the inspection of its procedures and records for the West Shore pipeline system that took place from May 19, 2014 through July 15, 2015.

Buckeye does not contest the notice and will submit the amended sections of its Internal Corrosion procedures within 60 days of receipt of this notice (by July 8, 2016). The Internal Corrosion procedures formerly detailed in Corrosion Manual Section A-06 have been rewritten as part of a comprehensive corrosion manual revision and have addressed the concerns noted in this NOA.

If you have any questions, or need additional information, please feel free to contact myself or Claudia Pankowski, Director, Regulatory Compliance at 610-904-4185.

Sincerely,

A handwritten signature in blue ink that reads "Thomas S. Collier". The signature is written in a cursive style with a large initial "T" and "C".
