**RE: Chevron Pipe Line Company – Formal Case Presentation
Notice of Amendment - CPF No. 2-2007-2001 M**

Dear Ms. Daugherty,

Pursuant to the captioned US DOT PHMSA Notice of Amendment CPF No. 2-2007-2001 M, this letter, with enclosures, is Chevron Pipe Line Company's (CPL) Formal Case Presentation regarding its procedural revisions in order to comply with 49 CFR Part 192.612(a), and 49 CFR Part 195.413(a). For your review, please see enclosed revised CPL "Underwater Inspection and Reburial of Pipelines" procedures for both gas and liquid pipelines along with supporting documentation forms.

Should you have any questions, or feel that the enclosed revised procedures are not adequate, please contact me.

Sincerely,

for Marty G. Bowin

Vice President – Pipeline Services and Standards
