Dear Mr. Buchler:

On March 11, 2011, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Tennessee Gas Pipeline Company (TGP) a Notice of Proposed Safety Order in the above-referenced case. PHMSA and TGP then entered into a Consent Agreement and Order (Order) on March 31, 2011. This Order included required actions to be taken on and along your pipeline. Based on our review of the documentation you provided, it has been determined that you have complied with the terms of this Order.

Accordingly, this case is now closed. Thank you for your cooperation in this matter.

Sincerely,

for Allan C. Beshore
