Re: ONEOK Partners, L.L.C.; Response to the Notice of Amendments;  
CPF 3-2012-5021M; and CPF 3-2012-1008M

Dear Mr. Barrett:

ONEOK Partners, L.L.C. ("ONEOK") has received the referenced Notice of Amendments (NOAs). ONEOK is not contesting the NOAs. ONEOK is not requesting a hearing in this matter; however, ONEOK does wish to request a definition of the time PHMSA will allow ONEOK to prepare amendments to its procedures addressed in the NOAs. As such, ONEOK hereby respectfully requests 90 days to amend its procedures and ensure appropriate review and approval prior to their submittal to PHMSA.

ONEOK received the NOAs on September 20, 2012. However, page 4 of the NOAs did not identify the number of days proposed in this matter for ONEOK to respond. If it is acceptable to PHMSA, ONEOK would consider the "[number of days]" to be 90, and submit its amended procedures on or before December 20, 2012.

Thank you for your consideration in this matter.

Sincerely,

Wesley Christensen  
Senior Vice President, Operations  
ONEOK Partners, L.L.C.
