Re: CPF 3-2016-1001; Notice of Probable Violation, Proposed Civil Penalty, and Proposed Compliance Order

VIA ELECTRONIC AND U.S. MAIL

Mr. Beshore,

Please find attached our response to the above referenced Notice of Proposed Violation (NOPV), Proposed Civil Penalty, and Proposed Compliance Order issued to ANR Pipeline Company (ANR), an indirect wholly-owned subsidiary of TransCanada Corporation, on February 4, 2016.

We would welcome the opportunity to meet with you informally to review our response and supporting documentation.

ANR respectfully asks that you consider this request and confirm your acceptance at your earliest convenience.

Please contact Vern Meier at 832-320-5505 if you wish to discuss.

Sincerely,

A handwritten signature in blue ink, appearing to read "Lauri Newton".

Lauri Newton
Vice President, ANR Pipeline Company

respectively. In order to allow the parties sufficient time to attempt resolution, ANR respectfully requests that PHMSA postpone setting a date for the hearing until after the parties meet. In the event of a hearing, ANR will be represented by counsel. Pursuant to 49 C.F.R. § 190.211, ANR's statement of issues to be presented at hearing is as follows:

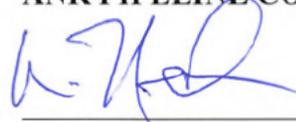

- Immediate notice of certain incidents and Incident reporting (Relating to Proposed Compliance Order items #1 and #2)
- Development and implementation of program and procedures to demonstrate procedure effectiveness (Relating to Proposed Compliance Order item #3)
- Abnormal Operations documentation (Relating to Proposed Compliance Order item #4)
- Atmospheric corrosion control – General (Relating to Proposed Compliance Order #6)
- Proposed Civil Penalty of \$220,200

In the event that the parties are not able to resolve this matter outside of the hearing process, ANR reserves the right to amend this Response and its statement of issues prior to hearing.

ANR respectfully asks that you provide any questions or concerns at your earliest possible convenience to Vern Meier at 832-320-5505.

Respectfully submitted,

ANR PIPELINE COMPANY
