Closure Letter

Dear Mr. Cathriner:

On November 13, 2014, a representative of the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to Chapter 601 of 49 United States Code, conducted an on-site pipeline safety inspection of Norgasco's procedures in Anchorage, Alaska. As a result of the inspection, Norgasco was issued a Notice of Amendment (NOA) on February 24, 2015, which proposed amendment of their procedures.

Norgasco submitted a third letter of amended procedures and changes on July 8, 2015, and received on July 17, 2015. PHMSA reviewed the amended procedures and the inadequacies outlined in the NOA have been noted or corrected.

This letter is to inform Norgasco that no further action is necessary, and this case is now closed.

Sincerely,

Chris Hoidal
Director, Western Region
Pipeline and Hazardous Materials Safety Administration
