Dear Mr. Kitchell:

On May 28, 2015, this office issued a Notice of Probable Violation with Proposed Civil Penalty and Proposed Compliance Order (Notice) to Columbia Gas Transmission, LLC, addressed to you at the above address.

It has now come to my attention that there was a typographical error in the letter that needs corrected. Item 5 alleged a violation of 49 CFR §192.707, and the Notice included a Proposed Compliance Order for Item 5. However, on page 5 of the May 28 Notice it also stated that item 5 was a Warning Item. Item 5 as a Warning Item is an error, and the correct Warning Items are Items 1 and 4 of the Notice.

Therefore, the error has been corrected in the enclosed Notice, which now includes a new issuance date of today, June 3, 2015. Columbia Gas Transmission, LLC has thirty (30) days from the receipt of this letter to respond to the Notice, in accordance with 49 CFR §190.208.

Sincerely,

for Allan C. Beshore
Director, Central Region, OPS
Pipeline and Hazardous Materials Safety Administration
