Re: Response to Operator Qualification Audit of June 12-13, 2007 and subsequent
Notice of Amendment CPF 4-2007-8001M dated August 9, 2007

Dear Sir:

Enclosed is the Dow Pipeline Company's Response to Notice of Amendment # CPF 4-2007-8001M dated August 9, 2007. The subject Notice of Amendment contained 7 items and each of the 7 items have been addressed and have been incorporated into our GCPL Operator Qualification Program.

Per item 6 of the Notice of Amendment and relative to 192.805 and 195.505, I am enclosing a copy of Dow Pipeline's newly revised Operator Qualification Program for your review. As per new section 4.10.4 of our revised Program, I will also send a copy of the Program to PHMSA in Washington, D.C., the Railroad Commission of Texas and to the Louisiana Department of Natural Resources.

We believe that we have complied with the Notice of Amendment by responding within 30 days of the date of the Amendment.

Please direct any question or concerns to:

Richard L. Scott
Pipeline Regulatory Compliance Specialist
