**COMPLIMENTARY BREAKFAST!**

**Wednesday, September 15, 2010**

Hosted by the Mohawk Valley Damage Prevention Council in Cooperation with National Grid and Tennessee Gas Pipeline.

# YOU ARE INVITED...

The MV DPC would like to invite you and your employees to attend a **COMPLIMENTARY BREAKFAST** at our underground damage prevention and safe digging event in Ilion, New York. This program will provide those attending with valuable information about Dig Safely New York operations (one-call center), the potential hazards of underground utilities, methods of safe digging and an overview of state enforcement. Representatives from the companies listed below will be in attendance as a resource to discuss, plan and coordinate safe excavation efforts in your area. Dig Safely New York and the Mohawk Valley Damage Prevention Council offer this program as part of an ongoing effort to increase the knowledge and understanding of safe digging and damage prevention in New York State. Please join us for this informative event.
