Re: CPF No. 2-2007-1011

Mr. White:

In accordance with the requirements of 49 CFR Section 190.211(a), the following is a statement of the issue Tennessee Gas Pipeline (TGP) will raise at the hearing scheduled for October 4, 2007:

TGP believes that appropriate steps have been taken to minimize corrosion in accordance with the requirements of 49 CFR Section 192.467(c). TGP will present the data and documentation on the steps that have been taken to meet these requirements.

The attendees for TGP will be:

Jesus Soto – Vice President, Operations Services
Bill Cope – Vice President, Eastern Operations
Pat Carey – Director, D.O.T. Compliance Services
Tom Dender – Operations Director, Southeast Division
David Bowmaster – Director, Pipeline Services
Gary O'Dom – Operations Manager, Heidelberg Area
Ken Peters – Manager, D.O.T. Compliance Field Support
Bryce Emery – Manager, Corrosion Control Eastern Operations
David Kroon – Executive Vice President, Chief Engineer (Corrpro)
Tony G. Rizk – Vice President of Engineering (Corrpro)

Counsel for TGP will also attend, and TGP reserves its right to have those counsel participate in the hearing as is permitted by 49 CFR Section 190.201(b).

Sincerely,

Patrick F. Carey, P.E.
Director, D.O.T. Compliance Services
