Re: Tampa Pipeline Corporation, Tampa Bay Pipeline Corporation, Tampa Pipeline Transport Corporation, Tampa Airport Pipeline Corporation (collectively "TPC")

Dear Linda:

Thank you very much for your letter dated August 5, 2008, and the attached Standard Inspection Report of a Liquid Pipeline Carrier prepared by Mr. Michael A. Schwarzkopf following his examination of TPC in June, 2006. This is very helpful in educating me as to the nature and content of the inspection process.

Can you also please provide us with the Standard Inspection Report of a Liquid Pipeline Carrier prepared by Mr. Dallas Rea following his inspection of Tampa Pipeline Corporation in July, 2007? TPC does not have a copy of that Report.

Thank you very much.

Sincerely,

Henry D. Fellows, Jr.
