Re: CPF 3-2021-1003

Dear Mr. Sheehy:

On March 16, 2022, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Trailblazer Pipeline Company (Trailblazer), a Final Order in the above-referenced case. This Order included a Civil Penalty assessment and Compliance Order requirement to take corrective actions on Trailblazer's pipeline. Based on our review of the documentation provided by Trailblazer and confirmation of payment of the civil penalty, it has been determined that Trailblazer has complied with the terms of this Order.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs
Director, Central Region, OPS
Pipeline and Hazardous Materials Safety Administration
