RE: CPF 3-2022-025-NOPV

Dear Mr. Prior:

On April 12, 2023, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to TC Oil Pipeline Operations, Inc. (TC) a Consent Order (Order) which included a finding that the terms of the proposed Compliance Order set forth in the Consent Agreement have been completed except for payment of a Civil Penalty Assessment in the above-referenced case.. Based on confirmation of payment of the civil penalty on April 26, 2023, it has been determined that TC has complied with the terms of this Order.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs
Director, Central Region, Office of Pipeline Safety
Pipeline and Hazardous Materials Safety Administration
