Re: CPF No. 4-2013-5004

Dear Mr. Shamla:

On October 16, 2015, a Final Order was issued in the above-referenced case. The Final Order made a finding of violation and specified actions to be taken by Enbridge Storage (Cushing) L.L.C. (Enbridge).

On September 2, 2016, a Decision on the Petition for Reconsideration was issued in the above-referenced case. The Decision on the Petition for Reconsideration withdrew Item 1 of the Final Order.

Based on a PHMSA review it has been determined that Enbridge has completed the requirements of the Final Order. This letter is to inform you that no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

R. M. Seeley
Director, Southwest Region
Pipeline and Hazardous Materials Safety Administration
