Re: CPF 4-2014-5004

Dear Mr. Mears:

On March 19, 2015, a Final Order was issued to Magellan Pipeline Company, LP (Magellan) in the above referenced case. It made findings of the uncontested violations and specified actions that needed to be taken by Magellan to comply with the pipeline safety regulations.

Magellan responded by letter, on May 19, 2015, detailing its actions in response to the Final Order with supporting documentation.

Upon review, it has been determined that Magellan has completed all of the terms and requirements of the Final Order. This letter is to inform you that no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

A handwritten signature in blue ink, appearing to read "R. M. Seeley".
