Dear Mr. Thorpe:

On August 25, 2017, the Pipeline and Hazardous Materials Safety Administration issued to ONEOK NGL PIPELINE, L.P (ONEOK), a Notice of Amendment which proposed amendment of your Control Room Management procedures.

ONEOK submitted its amended procedures on October 4 and November 6, 2017. My staff reviewed the amended procedures, and it appears that inadequacies outlined in this Notice of Amendment have been corrected.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Frank Causey  
Acting Director, Southwest Region  
Pipeline and Hazardous Materials Safety Administration
