Notice of Probable Violation and Proposed Compliance Order  
Enterprise Products Operating, LLC

Dear Ms. McDaniel,

As follow-up to our phone discussion on February 13th, 2020 concerning the above referenced Notice of Probable Violation (NOPV) and Proposed Compliance Order (PCO), Enterprise Products Operating, LLC (Enterprise or the Company) understands the following items are required to satisfy the Agency's concerns:

- Develop an inventory of temporary repairs within the subject pipeline
- Develop an inspection schedule to monitor temporary repair locations
- Using sound engineering practices, establish intervals for interim inspections until a permanent repair is implemented

Should you have any questions, require further information in connection with the above, or wish to discuss this matter in greater detail please do not hesitate to contact our office. Enterprise is committed to public safety, protecting the environment, and operating its pipeline facilities safely and welcomes the continued opportunity to work with PHMSA regarding the safe operation of our pipelines.

Sincerely,

Graham Bacon  
Executive Vice President, Chief Operating Officer
