Dear Mr. Grantham:

On December 20, 2020, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Targa Resources Corporation a Final Order (Order) in the above-referenced case. This Order included a Compliance Order to review the maximum operating pressure (MOP) on your North Grand Prix pipeline system. Based on our review of the MOP determination records, PHMSA has determined that Targa has complied with the terms of the Order.

Accordingly, this case is now closed, and no further action is contemplated concerning the matters involved in this case. Thank you for your cooperation.

Sincerely,

Mary L. McDaniel, P.E.
Director, Southwest Region
