Dear Mr. Ramsey:

On November 19, 2021, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Easton Energy Pipelines, LLC a Final Order in the above-referenced case. This Order included a Compliance Order requiring the submittal of a plan to remediate the inoperable valves located at Valves Sites #3, #9, #10, and #11, and to complete the remediation upon approval of the work plan. Based on our review of the documentation provided, it has been determined that you have complied with the terms of this Order.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation.

Sincerely,

Mary L. McDaniel, P.E.
Director, Southwest Region
Pipeline and Hazardous Materials Safety Administration
