Chris Hoidal  
Director Western Region  
12300 W. Dakota Ave., Suite 110  
Lakewood, CO 80226

Pipeline and Hazardous and Material Safety Administration

Dear Mr. Hoidal:

I have received of your letter dated June 7, 2016, regarding Notice of Probable Violation and Proposed Compliance Order. Pursuant to the "Response Option for Pipeline Operators in Enforcement Proceedings" document, I am requesting a hearing to contest the allegation and/or proposed Compliance Order items. As required in section III (Procedure for Requesting a Hearing) I am providing notice that the City will be represented by counsel at the hearing and notification of the following statement of issues that I intend to raise at the hearing.

Statement of issues to be raised at the hearing:

The pipeline segment from the Tuscarora custody transfer meter to the City of Susanville gate station approximately (10.75 miles) that operates at 350 psig does not meet the definition of a transmission pipeline.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Newton", is written over a horizontal line.

Dan Newton, PE  
Public Works Director
