

Overview Summary of STATES.2022.01 Changes (March, 2022)

Item	Description
1	Created new STATES PRSs and applied updated Federal content from the FED.2022.01 and FED.2022.02 PRSs to the STATES.2022.01 PRSs. This includes the "Section 114" content.
2	From FED GD - Removed STATE GD references to Master Meters (MM) from the MMLPGIM Group, as Master Meters were exempted from IM regulations in 2021. Renamed the MMLPGIM Group and related Directive to LPGIM. Per the GD Team.
3	CASFM HL - * Created a new "CASFM_HLIM" Directive containing 126 questions presented 138 times. Excludes ECDA. * Created a new "CASFM_HLIM Implementation" Directive containing 31 questions presented 36 times. Excludes ECDA.
4	MAINE GD - Created a new MAINE GD Question Set. Created a "MAINE LPG" Directive containing 189 questions presented 204 times.
5	Responded to several IA User Feedback requests.
