

2019.01 PRS Change Summary

GD

1. Updated the Considerations of several DC.CO questions to include references to PermaLock fittings in response to NTSB P-18-01 (in addition to those similarly updated in GD.2018.02).
2. Added questions DC.DPC.FLANGE.R and DC.DPC.FLANGE.O related to 192.147.
3. Cleanup of Standard Issue text for some P questions.
4. Miscellaneous IA feedback items resolution.

GT

1. Underground Natural Gas Storage:
 - a. Added new content associated with the construction phase of Underground Natural Gas Storage (UNGS) facilities – subgroups UNGS.RESEDES, UNGS.RESWELLEDDES, UNGS.RESINITIAL, UNGS.CAVERNGEOL, UNGS.CAVERNWELLEDDES, UNGS.CAVERNDRILL, and UNGS.CAVERNMININE.
 - b. Updated previous UNGS operational phase inspection content based on initial use of IA for UNGS inspections.
2. Control Room Management:
 - a. Added content to reflect the most recent CRM rule changes and related FAQ updates, primarily CR.CRMRR and CR.CRMTRAIN.
 - b. Resolution of several CRM-related IA feedback items.
3. Design & Construction:
 - a. General DC updates by the PHMSA Construction Work Team, including combining DC.WELDERQUAL into DC.WELDPROCEDURE.
4. Screening:
 - a. Added SRN.MO-GOMAOP to correct previous inadvertent omission.
5. Directives:
 - a. GT “Baseline Procedures (Form 1)” reduced by one question due to question DC.WELDERQUAL.WELDERLIMITNDT.P being combined into existing question DC.WELDPROCEDURE.WELDERQUAL.P as part of GT DC content updates.
6. Miscellaneous IA feedback items resolution.

HL

1. Control Room Management:
 - a. Added content to reflect the most recent CRM rule changes and related FAQ updates, primarily CR.CRMRR and CR.CRMTRAIN.

- b. Several CRM-related IA feedback item resolutions.
- 2. Screening:
 - a. Corrected errata in SRN subgroup naming associated with AR.SCC and CR.CRLD.
 - b. Revised title of AR.EC to “External Corrosion Direct Assessment (ECDA)” and AR.SCC to “Stress Corrosion Cracking Direct Assessment (SCCDA)” for more consistent internal IA naming.
- 3. Miscellaneous IA feedback items resolution.

LNG

- 1. Minor/typographical fixes.
