Dear Mr. Justin:

On November 25-26, 2008, a representative of the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code conducted an investigation into the reported Sunoco Pipeline, L.P. (Sun) incident NRC-890993 that occurred in Murrsville, PA on November 25, 2008. As a result of the investigation, Sun was issued a Notice of Probable Violation, Civil Penalty, and Proposed Compliance Order on August 14, 2009.

On November 25, 2011, PHMSA issued a Final Order to Sun in connection to the above-referenced case. This Order included a Compliance Order which consisted of requirements to amend your procedures and take corrective actions. Also, this Order included a Civil Penalty assessment.

Based on our review of the documentation you recently provided and confirmation of payment of the civil penalty, it has been determined that you have complied with the terms of this Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Byron Coy, PE
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
