Dear Mr. Collier:

From March 12 to 16, 2012, representatives of the Pipeline and Hazardous Materials Safety Administration (PHMSA), Office of Pipeline Safety (OPS), pursuant to Chapter 601 of 49 United States Code inspected Buckeye Partners, L.P.'s (Buckeye) control room management procedures titled *Control Room Management Plan, February 24, 2012* in Breinigsville, Pennsylvania. As a result of this inspection, Buckeye was issued a Notice of Amendment (NOA) on April 2, 2014 which proposed amendment to its procedures.

Buckeye submitted its amended procedures on August 28, 2014. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this NOA have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Byron Coy, PE
Director, Eastern Region
