Dear Mr. Coy,

This letter is in response to the Notice of Amendment CPF 1-2015-0003M dated February 23, 2015.

Danville Utilities does not at this time wish to contest the Notice of Amendment. We would however like to have the opportunity to submit, to you, corrections and additions to our procedures in our DIMP/SHRIMP plan, specifically the items listed under CFR 192.1007 (d) and (e). It is the intent of Danville Utilities to make these submissions to you on or before April 24, 2015. We appreciate your patience in these matters in allowing Danville Utilities to give these issues due diligence.

Sincerely
