Dear Mr. Armstrong:

On June 12, 2015, the Pipeline and Hazardous Materials Safety Administration, Office of Pipeline Safety, issued a Corrective Action Order (CAO) requiring Williams Partners, L.P. to take certain corrective actions with respect to its Transcontinental Leidy Line B that failed on June 9, 2015, in Lycoming County, Pennsylvania.

We have received a letter and CAO Documentation Report dated September 13, 2018 from Ms. Amy Shank, Williams Pipeline Safety and Compliance. The Documentation Report was submitted as part of the final Corrective Action deliverable, required under item 15 of the CAO.

Based on our review of the documentation provided in the CAO Documentation Report, it has been determined that Williams Partners, L.P. has complied with the terms of this order.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Robert Burrough  
Director, Eastern Region  
Pipeline and Hazardous Materials Safety Administration
