Spectra Energy has received the subject Notice of Amendment (NOA), and we are in the process of drafting our response. To properly respond to the NOA, I request a copy of the Violation Report and/or the Inspection Report from the PUC of Ohio inspection that resulted in this NOA.

At this time, we are not planning to contest the findings. I am requesting the additional documentation to fully understand the issues raised and thus be able to prepare a complete response.

Transmittal of the requested documents via e-mail would be preferred to expedite our receipt.

Thank you for your consideration of this matter. Please let me know if you have any questions.
