Dear Mr. Deneke:

From June 6 to June 10, 2016, inspectors from the New York State Department of Public Service (NYSDPS), acting as agents for the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code, conducted an inspection of Crestwood Midstream Partners, L.P.'s (Crestwood) Steuben Gas and Thomas Corners Storage facilities in Steuben County, New York.

As a result of the inspection, Crestwood was issued a Notice of Amendment on September 21, 2016, which proposed amendment of its procedures.

Crestwood submitted amended procedures on December 2, 2016.

My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary, and this case is now closed. Thank you for your cooperation.

Sincerely,

Robert Burrough
Acting Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
