RE: CPF 1-2017-5010M Notice of Amendment

Dear Mr. Burrough:

Buckeye received the referenced Notice of Amendment (NOA) on March 31, 2017 relating to Buckeye's procedure for filing safety-related condition reports. Buckeye does not contest the NOA and will be submitting a revised 195 O&M Manual, Procedure B-02 Safety Related Conditions that clarifies and provides additional guidance regarding the reporting of these conditions.

If you have any questions, or need additional information, please feel free to contact myself or Claudia Pankowski, Director, Regulatory Compliance at 610-904-4185.

Sincerely,

Thomas S. (Scott) Collier
