Dear Mr. Clunan:

From February 26, 2020 to June 19, 2020, a representative from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to Chapter 601 of 49 United States Code, conducted a virtual pipeline safety inspection of Ergon Terminaling, Inc. (Ergon) procedures. As a result of the inspection, Ergon was issued a Notice of Amendment on September 17, 2020, which proposed amendment of your procedures.

Ergon submitted its amended procedures on October 5, 2020. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
