Dear Mr. Rhoades:

From April 30, 2019 to May 2, 2019, August 7, 2019 to August 8, 2019, and December 3, 2019 to December 5, 2019, a representative from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to Chapter 601 of 49 United States Code, conducted an on-site pipeline safety inspection of RH energytrans, LLC's (RH energytrans) Risberg Project in Kingsville, Ohio. As a result of the inspection, RH energytrans was issued a Notice of Amendment on June 12, 2020, which proposed amendment of your procedures.

RH energytrans submitted its amended procedures on July 8, 2020. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
