Dear Mr. Fedena:

From February 27, 2020 to October 2, 2020, a representative from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to Chapter 601 of 49 United States Code, conducted a pipeline safety inspection of Paulsboro Natural Gas Pipeline Company, LLC (Paulsboro). As a result of the inspection, Paulsboro was issued a Notice of Amendment on January 14, 2021, which proposed amendment of your procedures.

Paulsboro submitted its amended procedures on February 5, 2021. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
