Dear Mr. Blevins:

From June 23, 2020 to June 25, 2020, a representative from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to chapter 601 of 49 United States Code, conducted an on-site pipeline safety inspection of Dominion Energy Ohio's (DEO) procedures for construction in North Canton, Ohio. As a result of the inspection, DEO was issued a Notice of Amendment on April 7, 2022, which proposed amendment of your procedures.

DEO submitted its amended procedures on May 6, 2022. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
