Dear Mr. Mark:

From April 19, 2021 through April 23, 2021, the Illinois Department of Natural Resources, Office of Oil and Gas Resource Management (IDNR), acting as a representative of the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to Chapter 601 of 49 United States Code (U.S.C.) inspected Ameren Illinois Company's (AIC) Lincoln Underground Natural Gas Storage Facility (UNGSF) in Logan County, Illinois. As a result of the inspection, AIC was issued a Notice of Amendment on April 26, 2022, which proposed amendment of your procedures.

AIC submitted its amended procedures on May 26, 2022. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
