Re: Warning Letter CPF 2-20110-6006W and Notice of Amendment CPF 2-2010-6005M

Dear Mr. Lemoi:

Our firm represents Key West Pipeline Company ("KWPC") as general counsel and, specifically, in relation to regulatory compliance matters. We are writing to acknowledge receipt of Warning Letter CPF 2-20110-6006W and Notice of Amendment CPF 2-2010-6005M, which were recently issued to KWPC. We are not contesting either the Warning Letter or the Notice of Amendment.

We are currently in the process of revising KWPC's procedural manual for operations, maintenance and emergencies ("Pipeline Manual") to update the information contained therein and to respond to the comments provided in PHMSA's Warning Letter and Notice of Amendment. We anticipate that the revisions to the Pipeline Manual will be completed and submitted to PHMSA by no later than December 13, 2010.

In the meantime, if you have any questions or comments, please do not hesitate to contact me.

Sincerely,

BAKER & HOSTETLER LLP

Lyndie M. James
