Dear Mr. Kirsch:

On June 12, 2012, the Pipeline and Hazardous Materials Safety Administration (PHMSA), Office of Pipeline Safety (OPS) issued to the Southeast Supply Header, L.L.C. (SESH) a Final Order in the above-referenced case. The Order included a Compliance Order and an assessed civil penalty.

The OPS Southern Region received and reviewed SESH's April 1, 2013, written response to the compliance items in the Order. Based on our review of SESH's response and our confirmation that SESH has paid the civil penalty, we have determined that SESH has complied with the terms of the Order. Accordingly, this case is now closed and no further action is necessary with respect to the matters involved in this case.

Please be advised that this letter refers only to the above described order (**CPF 2-2011-1007**) and not to any other PHMSA pending cases.

Thank you for your cooperation in this matter.

Sincerely,

Wayne T. Lemoi
Director, Office of Pipeline Safety
PHMSA Southern Region
