Dear Mr. Gifford:

On March 14, 2013, the Pipeline and Hazardous Materials Safety Administration (PHMSA), Office of Pipeline Safety (OPS) issued to Genesis Pipeline USA, LP (Genesis) a Final Order in the above-referenced case. The Order included an assessed civil penalty and a Compliance Order.

The OPS Southern Region received and reviewed correspondence from Genesis regarding the compliance items in the Order. Based on our review of this documentation and our confirmation that Genesis has paid the civil penalty, we have determined that Genesis has complied with the terms of the Final Order. Accordingly, this case is now closed and no further action is necessary with respect to the matters involved in this case.

Please be advised that this letter refers only to the above described order (**CPF 2-2012-5012**) and not to any other PHMSA pending cases. Thank you for your cooperation in this matter.

Sincerely,

Wayne T. Lemoi
Director, Office of Pipeline Safety
