Mr. Keith Windle
General Manager
Dominion Carolina Gas Transmission, LLC

Columbia, SC 29210

CPF 2-2014-1006

Dear Mr. Windle:

On February 17, 2016, the Pipeline and Hazardous Materials Safety Administration (PHMSA), Office of Pipeline Safety (OPS) issued Dominion Carolina Gas Transmission, LLC (DCG) a Final Order with a Civil Penalty and Compliance Order (CO). The CO required DCG to undertake certain actions to ensure compliance with the federal pipeline safety regulations.

DCG paid the Civil Penalty on March 10, 2016 and OPS Southern Region received documentation on May 17, 2016, confirming that the CO Item had been completed.

Based upon payment of the civil penalty, our review of the actions taken by DCG and the supporting documentation, we have determined that DCG has complied with the terms of the CO and the Final Order. This case is now closed and no further action is necessary with respect to the matters involved in this case.

Please be advised that this letter refers only to the above referenced order (**CPF 2-2014-1006**) and not to any other PHMSA cases, if any.

Sincerely,

James A. Urisko
Director, Office of Pipeline Safety
PHMSA Southern Region
