Dear Mr. Sheridan:

On December 11, 2015, the Pipeline and Hazardous Materials Safety Administration (PHMSA), Office of Pipeline Safety (OPS) issued AmeriGas Propane, L.P. (AmeriGas) a Final Order with a Civil Penalty and Compliance Order (CO). The CO required AmeriGas to undertake certain actions to ensure compliance with the federal pipeline safety regulations.

AmeriGas paid the Civil Penalty on January 12, 2016.

On April 4, 2016, we received a request, dated March 29, 2016, from Christopher Wagner requesting additional time to complete CO Item 3, the submittal of documentation confirming that all CO Items had been completed. The OPS, Southern Region granted AmeriGas an extension until May 4, 2016. AmeriGas submitted written documentation confirming the completion of all CO Items on April 26, 2016.

Based upon payment of the civil penalty, our review of the actions taken by AmeriGas and the supporting documentation, we have determined that AmeriGas has complied with the terms of the CO and the Final Order. This case is now closed and no further action is necessary with respect to the matters involved in this case.

Please be advised that this letter refers only to the above referenced order (**CPF 2-2015-0003**) and not to any other PHMSA cases, if any.

Sincerely,

James A. Urisko  
Director, Office of Pipeline Safety  
PHMSA Southern Region
