Dear Reverend Hamlet:

On September 30, 2016, the Pipeline and Hazardous Materials Safety Administration (PHMSA), Office of Pipeline Safety (OPS) issued the LEDIC Realty Company, LLC (LEDIC) a Final Order with a Compliance Order (CO) for required actions on LEDIC's master meter systems at the Eureka Gardens and Washington Heights residential complexes.

On February 27, 2017, LEDIC notified PHMSA that, as of January 31, 2017, Global Ministries Foundation (GMF) had assumed ownership of the referenced properties.

OPS Southern Region received multiple communications documenting both LEDIC's and GMF's response to the CO. Confirmation of GMF's compliance with all required items was received on August 21, 2018.

Based upon our review of documentation of the actions taken by GMF, we have determined that GMF has complied with the terms of the CO and the Final Order. This case is now closed and no further action is necessary with respect to the matters involved in this case.

Please be advised that this letter refers only to the above referenced orders (CPF 2-2016-0001 and 2-2016-0002) and not to any other PHMSA cases, if any.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Urisko', is written over a horizontal line.
