Dear Mr. Gore:

On May 10, 2018, the Pipeline and Hazardous Materials Safety Administration (PHMSA), Office of Pipeline Safety (OPS) issued Plains Marketing LP, a subsidiary of Plains All American Pipeline, LP ("Plains"), a Final Order with a Civil Penalty and Compliance Order (CO). The CO required Plains to undertake certain actions to ensure compliance with the federal pipeline safety regulations.

Plains paid the Civil Penalty on May 25, 2018, and OPS Southern Region received multiple communications documenting Plains' response to the CO.

Based upon payment of the Civil Penalty and our review of documentation of the actions taken by Plains, we have determined that Plains has complied with the terms of the CO and the Final Order. This case is now closed and no further action is necessary with respect to the matters involved in this case.

Please be advised that this letter refers only to the above referenced order (**CPF 2-2016-6003**) and not to any other PHMSA cases, if any.

Sincerely,

James A. Urisko  
Director, Office of Pipeline Safety  
PHMSA Southern Region
