RE: CPF 2-2018-1007
Notice of Probable Violation and Proposed Compliance Order

Mr. Urisko:

Freebird Gas Storage, LLC (Freebird) received certified letters on November 14, 2018, from PHMSA Southern Region of the Pipeline and Hazardous Materials Safety Administration (PHMSA) including the Notice of Probable Violation (NOPV) and Proposed Compliance Order (PCO).

Freebird has reviewed the NOPC and PCO, and is submitting the included proposed changes to Freebird Procedures for PHMSA's Review. Once these procedures are approved, Freebird will move forward with performing and documenting a cathodic protection survey using the approved procedures. The results of this survey and (if necessary) any remedial actions will then be submitted to the Director of PHMSA southern Region.

Freebird Gas Storage, LLC is committed to full compliance and appreciates your consideration in this matter. Please do not hesitate to contact me or our Director of Environmental, Health and Safety, Sherri Peebles at (281) 374-3081.

Kindest regards,

A handwritten signature in blue ink, appearing to read "P. Bieniawski", is written over the typed name.
