Dear Mr. Gurrola:

On February 25, 2002, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued a Corrective Action Order (Order) to Wolverine Pipe Line Company in the above-referenced case. This Order included requirements to take corrective actions on your pipeline. Based upon our field monitoring of the corrective actions taken and a review of the documentation you provided, it has been determined that you complied with the terms of the Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

For  
David Barrett  
Director, Central Region  
Pipeline and Hazardous Materials Safety Administration
